These devices are compatible with Kindle books and EPUB eBooks.

Downloading Kindle Books:

You will need:
- A valid library card
- OverDrive App
- Kindle app
- Amazon login and password

1. Download the OverDrive app and the Kindle app from the app store.

2. Open the Kindle app, enter your Amazon ID and password then tap "Sign In".

3. Open the OverDrive app and tap "SIGN IN".

4. Tap "Sign in using library card".

5. Enter your library's name in the search box and tap "Go".

6. Locate your library in the search results and tap it.

7. Select your library from the drop-down menu, enter your card number and tap "SIGN IN".

8. Tap "Add a library" then search for your home library.

9. Tap the star next to "Montgomery County Library District Consortium" and then tap that text.

11. Tap "Sign in" in upper right hand corner.

12. Sign in with your home library and library card number.

13. Locate a book you're interested in checking out using the search or the categories provided.

14. Tap the cover of the book you want to check out and tap "Borrow" then tap "Go to Checkouts".

15. On your Checkouts page find the book you just selected and click "Download" then select "Kindle eBook" and click "Confirm & get Kindle Book".

16. You will be redirected to Amazon.

If you aren't signed into Amazon already click "Get library book" in the green box.

17. Enter your Amazon login information and tap "Sign in".

18. Select your Android device from the drop down menu and tap "Continue".

19. Open the Kindle app.

20. The Kindle app will sync when you open it and your book should appear. Tap the book's cover to begin reading it.

Downloading EPUB eBooks:

You will need:
- A valid library card
- OverDrive App

1. Download the OverDrive app from the app store.

2. Open the OverDrive app and tap "SIGN IN".

3. Tap "Sign in using library card".

4. Enter your library's name in the search box and tap "Go".

5. Locate your library in the search results and tap it.

6. Select your library from the drop-down menu, enter your card number and tap "SIGN IN".

7. Tap "Add a library" then search for your home library.

8. Tap the star next to "Montgomery County Library District Consortium" and then tap that text.

9. Tap "Sign in" in upper right hand corner.

10. Sign in with your home library and library card number.

11. Locate a book you're interested in checking out using the search or the categories provided.

12. Tap the cover of the book you want to check out and tap "Borrow" then tap "Go to Checkouts".

13. On your Checkouts page find the book you just selected and click "Download" then select "Kindle eBook" and click "Confirm & get Kindle Book".

14. A box that says "A title has been added to your bookshelf" will appear and then disappear.

15. Tap the menu button in the top left of the screen and then tap "BOOKSHELF".

16. Your book will be listed there. If your book isn't listed tap and pull the screen down to refresh it. Tap the cover of the book to begin reading.
