This includes: Kindle 1st generation, all Kindles when Wi-Fi isn't available.

These devices are compatible with Kindle Books only.

You will need:
- A valid library card
- Amazon login and password
- Your eReader's USB cable

1. In your computer's browser navigate to cheltenhamlibraries.org and click on the OverDrive banner at the bottom of the page.

2. Click "Sign In" at the top right of the page.

3. Sign in with your home library and library card number.

4. Locate a book you're interested in checking out using the search or the categories provided.

5. Hover over the cover of the book you want to check out and click on "Borrow" then click "Go to Checkouts".

6. On your Checkouts page find the book you just selected and click "Download" then select "Kindle eBook" and click "Confirm & get Kindle Book".

7. You will be redirected to Amazon.

If you aren't signed into Amazon already click "Sign in" at the bottom of the page. After you sign in, use the back button on the browser to go to the "Get Your Digital Library Loan" page and then refresh the page.

8. In the green box on the right, under "Deliver to:" select "Transfer via computer" and click "Get library book".

9. Choose the device you're going to transfer this book to and then click "Continue". The book will download to your computer.

10. Locate the downloaded book. Right mouse click on it and select "Copy".

11. Plug your Kindle into your computer and open the device in Windows Explorer.

12. Open the "documents" folder on your Kindle.

13. Right mouse click in that folder and select "Paste".

14. Eject then unplug your Kindle. Your book is on the device, ready to be read.
