

CTLS is YOUR Library

While the Cheltenham Township Library System is funded in large part by Cheltenham Township and the state of PA, we depend on the support of our patrons and donors to realize our potential and continue to meet the diverse and evolving needs of this community. Your gift to CTLS supports library services and learning opportunities for people of all ages.

- Use interlibrary loan service to access over 40 million books and other items through the state-wide catalog.
- Answering questions is our super power! Have your questions answered in the branch, over the phone, through email, on social media or through our website's Ask-a-Librarian form.

Checking out: Your library card or ID with address is required to check out materials from our libraries. See the insert for details.

Returns: Return most items at any MCLINC library. Museum passes, board games, and hot spots need to be returned to their owning library.

Renewals: Most CTLS materials can be renewed, unless a request has been placed on them by another patron. Eligible Items will be renewed automatically 3 days before the due date. Inter-library loans are non-renewable.

Requests: Requests may be placed at the library, online, or by phone with your library card. Ask about inter-library loan for materials that are not in our collections.
