Log into your library account. Click **My Account** on our homepage or go to the catalog and click **My Account** or **Log in** (top-right corner). Enter your username/barcode and password.

Click the **Search** dropdown menu, and then click **E-Sources**.

Click **Ancestry**.
You will be redirected to the Ancestry homepage with access!

If you did not log in first, you will see the screen below. Click login required - click here and enter your username/barcode and password. You will be redirected back to the page with the Ancestry link, and the link will now be clickable.
